

Health and Safety Policy Statement

At Egan Waste Services Limited (The Company) we recognise and accept our duties as an employer to ensure the health, safety and welfare at work of all its employees.

The Company will ensure that all efforts that are reasonably practical are made to safeguard its employees including, client personnel, visitors, contractors and members of the public who may be affected by our activities.

Egan Waste Services Health & Safety Policy is:

- To ensure that work activities do not adversely affect the health or safety of employees or anybody else.
- To consult with employees concerning their Health & Safety.
- To ensure that welfare provisions meet expected requirements.
- To ensure that plant and equipment are safe.
- To offer information, instruction and supervision to ensure the safety of employees.
- To ensure that employees are competent to carry out their work and offer suitable training.
- To avoid accidents and ill health resulting from work.
- To ensure that safe and healthy working conditions are maintained at all times.
- To review the Health & Safety Policy as frequently as necessary, always keeping it up to date.

All staff must:

- Co-operate with the Company in matters concerning Health & Safety.
- Not tamper or interfere with anything provided to safeguard Health & Safety.
- Take care of their own Health & Safety and that of others.
- Report any concerns about matters affecting Health & Safety to the Operations Advisor / Director in the first instance.

Egan Waste Services will:

- Ensure that safe working procedures are established and monitor their use.
- Maintain all vehicles, plant and equipment.
- Give Health & Safety advice to all new employees on induction.
- Monitor young workers and trainees.
- Co-ordinate job specific training.
- In 2017, implement a more coherent Health & Safety and Environmental system
